# UNIVERSITY OF MISSOURI POLICY FOR EYE SAFETY

-Excerpt from-

“Senate Bill #519 (RSMo.: Section 170.005, 007, & 009) requiring all students, teachers, and visitors to wear approved eye protective devices when participating in certain vocational, industrial arts, and chemical-physical laboratory courses of instruction, shall be extended to include all University employees whose work activities expose them to potential eye hazards of the type described in the Act.”

“Except for the cost of a prescription, employees shall be furnished without charge, appropriate eye protective devices such as goggles, or personal clear plano, or prescription safety glasses as their tasks require. No more than one (1) pair of prescription glasses every other year shall be furnished without charge, unless damaged in the course of employment.”

“All eyewear devices shall meet ANSI Z87.1 - 1968 standard and subsequent revisions thereof...”

You may read the Act and University Policy where posted in selected buildings or as made available by your supervisor.
